5.3 Contested Charges

For consideration of any disputed charge, a Customer should submit in writing to the Company, within thirty (30) days of the date the bill is issued, the call details and bases for any requested adjustment. The Company will promptly investigate and advise the Customer as to its findings and disposition.

5.4 Returned Check Charge

A charge no to exceed the maximum charge allowed by South Carolina statute may be applied if a check or draft presented for payment of service is not accepted by the institution on which it is written.

5.5 Deposits

No advance deposits are required.

5.6 Taxes

All federal, state and local taxes (e.g., excise tax, gross receipts tax, sales tax, municipal utilities tax) for calls are billed as separate line items and are not included in the quoted rates.

5.7 Bill Statement Fee

An undiscountable bill statement fee of \$3.49 may be applied to an end user's local exchange carrier bill in each month in which Collect Calls from confinement facilities are billed, regardless of the number of calls accepted. The bill statement fee is a monthly charge to recover some of the Company's expenses associated with calls from confinement facilities served by the Company and that are billed through local exchange carriers. No fee will be assessed in any month if no Collect Calls are accepted. This fee will not be assessed on end users that prepay for their services or those that are directly billed by the Company.

5.8 Transaction Processing Fee

A payment processing fee of up to \$7.95 is applicable to credit and debit card payments submitted to the Company via the Securus automated system, the Securus call center and the Securus website. This fee does not apply to payments mailed to the company or submitted via a customer's online banking service.
